The Early Childhood Center is a Reggio-inspired school believing that relationships and dialogue are the basis for a rich learning environment. We seek candidates for Substitute Teacher positions, particularly individuals who desire to be engaged in working with young children in the context of a wonderful community.

The positions provide coverage in ECC classrooms when regular teaching staff are absent. Position responsibilities include:

- Supporting the educational experience of the students and their families in line with the current school philosophy.
- Effectively communicating with the rest of the classroom staff on classroom matters.
- Attending to the needs of the students, as needed.

A college degree is preferred and related experience is a plus. Successful candidates must have a healthy love and respect for children and have a team orientation.
