

# Are You Anxious?

NIH RESEARCH STUDY

This study seeks to better understand anxiety.

## Join A Study *on Anxiety*

Studies are conducted at the NIH Clinical Center, Bethesda, MD. Compensation is provided.

Participants must be:

- ages 18 to 50 with anxiety
- free of certain medical conditions

Research will include:

- 1-2 outpatient visits
- computer tasks
- exposure to unpleasant stimuli

To find out if you qualify, call...
