

# Hanukkah Party

December, 12, 2017

About 80 members attended the the JCC Men's Club annual Chanukah Party. Members schmoozed and got to know each better in an informal setting.

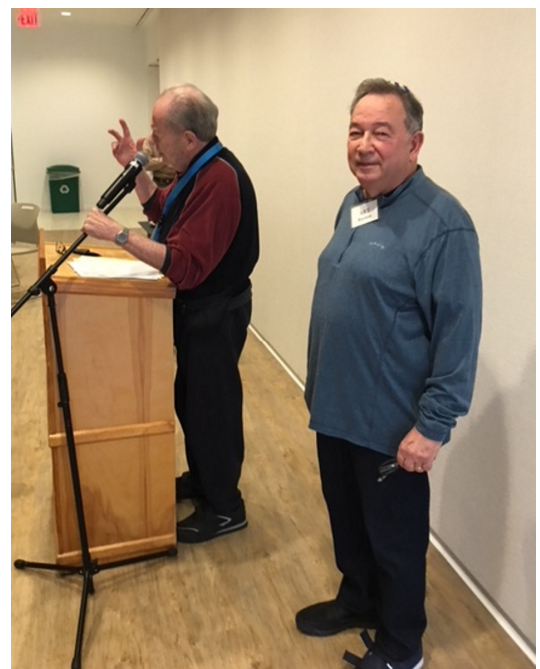

Toby Gottesman, the Men' Club founder and Seal Team leader, introduced the program.

Rabbi Mitchell H. Berkowitz of B'nai Israel delivered opening remarks with an interactive discussion about the miracle of Hanukkah. He then led us in the lighting of the Hanukkah candles.

Art Rayman followed with a few Chanukah songs including one in Yiddish.

A terrific repast followed of traditional goodies including latkes, herring, whitefish salad all prepared by Ed Chidakel and Marvin Arluk.
