

Second Cabin John Park Picnic

August 31, 2021

On Tuesday, August 31, the Men's Club held a wonderful *get-back-together-in-person* picnic at Cabin John Regional Park. More than 40 members enjoyed camaraderie and hot dogs, hamburgers, grilled corn on the cob, watermelon, and all the fixings.

As a result of the hard work of the organizers and workers this repeat event was a huge success. Dave Gross secured the venue, Mike Baker did the overall planning with assistance from Vince Berg who passed a comprehensive logistic baton. Mike and Eddie Chidakel took care of much of the logistics, and Stan Ginsberg managed the finances.

Dave Fenster, Neil Shulman, and Marvin Arluk grilled up a feast of hamburgers, hot dogs, and delicious corn that Chuck Brownstein brought along with perfect watermelons that were both picked-that-morning. On the side were Cole slaw, potato salad, chips, and pickles.

Sheldon Lehner, Wayne Martin, and Corey Dreyfuss conducted the entertainment. We played "Home Run Derby" (whiffleball), "Name That Tune," "Bullseye" Velcro ball toss, bowling (1 pin only), Jewish sports trivia, "Water Balloon Toss" (team pairs), and some board games.

Everyone had a great time.
