## KindSoup

**KindSoup** brings volunteers together to cook soup and bake banana bread for those in need, while fostering a sense of community in the JCC kitchen.

## Playhouses

Delivering Good Network collaborated with Habitat for Humanity Metro Maryland and the local faith community to build playhouses and raise awareness of affordable housing challenges. Funds raised were donated to **Habitat for Humanity**.

## Family Fun Day

At Afghan Family Fun Day, we welcomed recently-resettled immigrant families for a day of fun and connection. It was held in partnership with **JCRC** and the **New Neighbor Interfaith Alliance**.

## Challah Bake

The Special Friend Challah Bake brought together grandparents and their grandchildren to bake a challah for their family, and an extra one to donate to **Nourish Now**, a food distribution center.

## The Good Fight

In conjunction with **BBYO** and **ADL**, teens gathered to discuss tools to respond to antisemitism in communities, schools and on social media. The session ended with a service project to benefit asylum seekers at **SAMU First Response**.

## Good Deeds

Delivering Good Network volunteers packed lunch sacks for **Kings and Priests International Ministries**, an organization that distributes hundreds of free lunches to community members in need every weekend.
